

EDUCATIONAL LEADERSHIP, MASTER OF EDUCATION

Degree Program

The graduate program in Educational Leadership leads to a Master's Degree and Tier I Certification in Leadership. The M.Ed. planned degree program lists a minimum of 33 semester hours of coursework and clinical experience to be completed within six years from the date of enrollment. A maximum of nine semester hours may be earned as transfer credits. These credits must be indicated on the student's planned program during the first semester of enrollment as a graduate student admitted in full status. Students are expected to confer with their advisor each semester. They should complete and sign the planned program with their advisor. In advance of the expected date of graduation, the student is expected to apply for graduation with the Office of the Registrar, as well as certificate upgrade in the education office.

Both degree & certification only Tier I Leadership Programs prepare candidates for advanced leadership positions that include P-12 school level positions below the principal and district level positions that do not supervise principals.

ADVISEMENT

After the student has been admitted to the Master's Program, the departmental chairperson will appoint an advisor. The advisor will assist the student in developing an individualized program that meets degree and certification requirements.

PROGRAM COMPLETION

To be eligible for the Master's Degree and recommendation for leadership certification by Albany State University, the student must have met the following:

1. Fulfilling requirements after admission to the program. Transfer credits must be approved during first semester of enrollment.
2. Complete useable credits within six years of admission and completion.
3. A maximum of 9 semester hours of transfer credits from a Georgia Professional Standards Commission approved institution offering a Master's Degree may be approved for inclusion in the planned Master's Program. Such credits must be approved by the chair of the department.
4. Only credits with grades of "B" or better are accepted in the Master's Program.
5. The student's master's program must include a minimum of 33 hours of course work. This includes a minimum of 250 clock hours of clinical experiences, performed at elementary, middle and high school levels.
6. Except for a maximum of 9 semester hours of transfer work, all credits used in the Master's Program must be earned in residence at Albany State University.
