

CRIMINAL JUSTICE, MASTER OF SCIENCE

Introduction

The Department of Criminal Justice at Albany State University offers a 30 semester hours Master of Science degree in Criminal Justice delivered both face-to-face and fully online with concentrations in Law Enforcement, Corrections, Forensic Science and Public Administration. The M.S. degree program is designed to prepare students for professional careers within the criminal justice system and related fields. Theoretical, methodological and philosophical understanding of the criminal justice system is stressed during the matriculation process. As a result, students are well-prepared for careers in criminal justice and related fields. Those seeking advanced graduate education beyond the Master's degree level will be able to compete successfully with graduates from other schools and disciplines.

The philosophy and objectives embraced by the Criminal Justice Department are to educate students in such a way to channel their talents and capabilities toward the enrichment of the Community, state and the nation. Embracing this idea, the Department strives toward the broad-based development of the individual to meet the technological and legal complexities of a modern democratic society.

With only a 30 semester hour requirement for program completion, including Thesis or None Thesis option, students must successfully complete a comprehensive examination in core, statistics/methodology and a chosen area of specialty. The comprehensive examination is administered after the student has completed the core courses and three courses in a chosen area of specialty. A grade of B or better must be earned for each course and 3.0 grade point average must be maintained in order to remain in the program.

The Corrections and Law Enforcement concentrations are offered fully online.

The Master of Science in Criminal degree program can be completed in one year for seriously committed students as follows:

- Fall semester: A Term-6 hours; B Term-6 hours; Total for semester = 12 hours
- Spring semester, A Term-6 hours, B Term-6 hours; Total spring semester= 12 hours
- Summer semester- 6 hours

Master of Science in Criminal Justice Program Outcomes

Students graduating with a Master of Science in Criminal Justice are expected to:

- Demonstrate mastery of subject material by developing a minimum level of competence in the broad field of Criminal Justice.
- Demonstrate proficiency in a minimum of one area of specialization: Law Enforcement, Corrections, Forensic Science and Public Administration
- Demonstrate an understanding of statistics and research design and the ability to evaluate the quality and implications of scientific research in the field of Criminal Justice

- Engage in scholarly writing in the field of criminal justice through scholarly papers and final projects.

Transfer of Credit

Transfer students from other accredited graduate programs may not apply any course work toward the Master of Science degree. Transfer credits may not be used to satisfy the core requirements.

Transient Students

Transient enrollment status is provided to those persons currently enrolled in a graduate degree program at another institution who are interested in enrolling for only one semester in the department. Students must meet the general entrance requirements of the Department and University. Furthermore, these students must have a 3.0 average in all graduate work undertaken at other institutions before they will be accepted in the transient status.

Financial Assistance

Acceptance into the graduate program does not presume that financial assistance will be awarded. Students seeking financial assistance should file their completed applications with the Office of Financial Aid, the Graduate Admissions Office and the Criminal Justice Department.
