

CURRENTLY SERVING MILITARY FEE WAIVER

In accordance with USG Policy 7.3.4.2 students who are serving on active duty, reserve, or in the National Guard may be able to reduce their cost of attendance. The waiver is contingent on the student utilizing military tuition assistance, state assistance, or paying their own way to attend. Please note that course fees (e.g., lab fees) will not be waived. In order to apply for the military fee waiver, students must contact the Office of Military and Adult Education to set an appointment and show proof of service by the first day of the term. Students can reach the Office of Military and Adult Education by emailing veterans@asurams.edu or 229-500-2070.
