The office of Career Services provides services for all student stakeholders that will increase their knowledge, understanding, and skill development in best practices to present themselves professionally to the employment community or to the professional settings in achieving their career aspirations. It is of utmost importance to recognize and address the uniqueness and diversity of our students and alumni through assessments to positively impact student career success through opportunities for career awareness and connections that support student potential. The Office of Career Services offers a wide range of assessments that illuminate strengths, attributes, interests, and preferences related to the professional work environment. Staff are professionally certified to offer/administer and interpret assessments that range from career interest to personality to vocational/occupational interest to interpersonal skills and include career and life coaching; tools and techniques to support development that leads to successful choices in career decisions. The services provided to the student population are accessible both in-person and on-line through the Office of Career Services.
