

DIPLOMA INFORMATION

The actual diploma will not be presented at the commencement ceremony. The student will receive a diploma cover. Following certification of completion of all requirements, a digital copy of the diploma will be available approximately three to four weeks following the ceremony. The printed copy of the diploma will be mailed to the address specified on the Application for Degree, and the student should receive it ten to fourteen days after the digital copy is received.

A student with a hold will not receive a diploma until the appropriate department removes the hold and the Office of the Registrar is notified by the student or the department placing the hold.

Although we exert every effort to ensure that diplomas are correct, students should review the diploma carefully and advise the Office of the Registrar immediately of any discrepancies.

There are two commencement exercises during the year, one in the fall and one in the spring.
