

COLLEGE OF ARTS AND SCIENCES

The College of Arts and Sciences mission is to produce graduates who are critical thinkers, problem solvers, communicators, and contributors to the well-being of the community through competence in their areas of study. The College of Arts and Sciences houses undergraduate programs in the departments linked below. Please click a link to find more information about a specific department. On each department page, the list of degrees, certificates, and minors available in that department can be viewed by selecting the Programs tab, while the list of courses for each department will be found by selecting the Courses tab. You will also find links to all Bachelor's Degrees, Associate Degrees, Certificate, and Minor options offered within the College of Arts and Sciences.

- Biological Sciences (<http://catalog.asurams.edu/undergraduate/arts-sciences/biological-sciences/>)
- Chemistry and Forensic Science (<http://catalog.asurams.edu/undergraduate/arts-sciences/chemistry-forensic-science/>)
- English & Modern Languages (<http://catalog.asurams.edu/undergraduate/arts-sciences/english-modern-languages-mass-communication/>)
