

CHEMISTRY MINOR

- A minor must contain 17 semester hours of coursework.
- A minor must contain at least 9 hours of upper division course work (numbered 3000 or above).
- Courses taken to satisfy Core Areas A through E may not be counted as course work in the minor.

Code	Title	Semester Hours
Required Courses		8
CHEM 2301K	Organic Chemistry I	
CHEM 2302K	Organic Chemistry II	
CHEM 3151K	Quantitative Analysis I	
Upper Division Chemistry Courses		
Select at least 9 semester hours from the following:		9
CHEM 3221K	Physical Chemistry I	
CHEM 3250K	Biochemistry I	
CHEM 4110	Chemical Literature I	
CHEM 3231K	Intermediate Inorganic Chemistry I	
CHEM 3222K	Physical Chemistry II	
CHEM 3400	Polymer Science	
CHEM 3300	Nanoscience and Nanotechnology	
Total Semester Hours		17
