

VISUAL AND PERFORMING ARTS

As part of the Department of Arts and Humanities, the Bachelor of Arts in Visual and Performing Arts includes the option of the following specialty areas: Art, Music, Music Education, and Theatre and minors in Art, Dance, Music, Music Industry, and Theatre. The Associate of Arts degree is also available with pathways to art, music, and theatre. The department also provides non-major courses in art, music, theatre, and dance in support of the liberal arts curriculum requirements of the University.

Visual Arts Concentrations

The Bachelor of Arts in Visual and Performing Arts degree with a concentration in Visual Art offers studio workshops in drawing, painting, ceramics, sculpture, graphics, and photography, as well as art history survey courses. The students learn a broad range of technical skills and professional practices through instruction and experiential learning. Visual Art students also have opportunities for interacting with visiting artists and arts professionals, hands on learning through organized exhibitions, and travel opportunities. Potential Art majors seeking admittance into the discipline must submit a portfolio of previous work for review and approval before major status is granted. Additionally, for acceptance into and graduation from the discipline, each student must have, and thereafter maintain a cumulative grade point average of 2.25 or better. Students must earn a minimum grade of C in each art course. Majors must complete the departmental exit examination and a senior exhibit.

Music Concentration

The Bachelor of Arts in Visual and Performing degree with a concentration in music offers applied concentrations in voice, piano, strings, wind instruments, and percussion. The program also offers courses in music theory, form and analysis, music history, and literature with emphasis on performance, leading to further study at the graduate or professional level. Participation in performance organizations relative to the student's area of applied specialty is also required. Music majors may enter the discipline either at the freshman or transfer level. It is important for entering freshman music majors to identify themselves before or upon registration, as there are music division entrance requirements. It is important that potential music majors immediately become enrolled in the proper sequential theory and applied classes which begin at the freshman level. Transfer students will enter at a stage commensurate with their level of proficiency and prior instruction. For acceptance into major vocal or instrumental applied courses students must have had prior instruction and demonstrate requisite proficiency via an audition before the music faculty. A second juried audition prior to acceptance into junior level applied courses is also required. Candidates for graduation must perform junior and senior recitals. Additionally, for acceptance into and graduation from the discipline, each student must have and maintain a cumulative grade point average of 2.25 or better. All majors must earn a minimum grade of C in each music course. Majors must take the Departmental Exit Exam.

Music Education Concentration

The music education program will offer study leading to The Bachelor of Arts degree with applied concentrations in one of the following categories: choral/vocal, instrumental/piano. Degree requirements will be completed primarily in the music area of the Department of Arts and

Humanities, however, the teaching certification will be earned through the School of Education. Curriculum components of the program of study are

1. Area A-E - University Core Courses,
2. Area F - Courses Related to the Major,
3. Area G - Major Requirements; and
4. Area H - Teacher Education Courses.

In order to be admitted to the Music Education Program, students must first meet all college admittance requirements. Additionally, students must audition on a major instrument or voice for acceptance into the program, and must meet the requirements of the College of Education for admission to the Teacher Education Program.

The non-course requirements include:

1. A 2.5 GPA
2. Passing the GACE I Exam (for full admittance into the Teacher Education Program and to be able to student teach).
3. Passing of GACE II (required for student teaching and graduation).
4. Beginning School Experience (two-week internship at one of the public schools during the first two weeks of school).
5. Student membership in the College Music Educators National Conference (CMENC), and the National Education Association (NEA) or the Professional Association of Georgia Educators (PAGE).

Theatre Concentration

The Bachelor of Arts in Visual and Performing Arts with a concentration in Theatre is designed to provide maximum flexibility in meeting the varied interests and career objectives of its students. The Theatre concentration has specific requirements, i.e., dramatic performances, qualifying examinations, and oral presentations. Theatre majors are required to have a grade point average of 2.25 or better to enter and exit the program in Theatre. A grade of C or better is required in all major courses. Majors must also complete the Departmental Exit Examination.

Minors in Visual and Performing Arts

The **Visual Art Minor** requires eighteen (18) credit hours of lower and upper level prescribed courses. The **Associates Degree in Core Curriculum** with a transfer **Pathway to Art** requires the completion of the core curriculum plus the prescribed area F in the art discipline.
