Federal Pell Grant makes financial assistance available to eligible students attending approved post-high school institutions. Eligibility and actual amount of aid are determined by the Department of Education. This is a need-based program for undergraduates with no repayment required. Eligible students must be enrolled in at least one credit hour. Pell Grant is prorated for enrollment less than full-time enrollment, which is fewer than 12 credits.

Completion of the Free Application for Federal Student Aid (FAFSA) is required.

## Federal Supplemental Educational Opportunity Grant (SEOG)

The Federal Supplemental Educational Opportunity Grant Program is for students with exceptional financial need who, without the grant, would be unable to continue their education. This is a federally-funded grant program for undergraduate students who have not earned a bachelor's degree. This award does not require repayment. Eligible students must also be Pell eligible and enrolled in at least one credit hour. SEOG funding is limited and will be awarded if funds remain available.

Completion of the Free Application for Federal Student Aid (FAFSA) is required.

## Federal TEACH Grant

Through the College Cost Reduction and Access Act of 2007, Congress created the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program that provides grants of up to \$4,000 per year to students who intend to teach in a public or private elementary or secondary school that serves students from low-income families. If you meet TEACH Grant requirements you should complete a TEACH Grant Application, found online at [www.asurams.edu](http://www.asurams.edu) (<http://www.asurams.edu>), under financial aid forms, and submit it to the Office of Financial Aid.

## Iraq and Afghanistan Service Grant

A student who is not eligible for a Pell Grant, but whose parent or guardian was a member of the U.S. Armed Forces and died as a result of

service performed in Iraq or Afghanistan after September 11, 2001, may be eligible to receive the Iraq and Afghanistan Service Grant.

### *Additional Student Eligibility Requirements for this grant:*

- Be under 24 years old; or
- Enrolled in college at least part-time at the time of the parent's or guardian's death

The grant award is equal to the amount of a maximum Pell Grant for the award year – not to exceed the cost of attendance for that award year.

## Federal Work-Study Program

The Federal Work-Study Program provides jobs for students who need financial aid and who must earn a part of their educational expenses. This program is based on need. Eligible students must be enrolled in at least one credit hour. In arranging a job and determining how many hours per week a student may work under this program, the student's financial need, class schedule, and academic progress will be taken into account.

Completion of the Free Application for Federal Student Aid (FAFSA) is required.

## Federal Direct Subsidized Loan

These loans are for students who demonstrate financial need. The federal government is the lender. The institution administers the loan. The interest rates are variable and may be adjusted each year. The interest rate on this loan will not exceed 8.25 percent. Subsidized means the federal government pays the interest of these loans while the student is enrolled in school on at least a half-time basis (6 or more credit hours). A loan fee is deducted from each disbursement and is subject to change. The federal government retains this amount as an origination fee, which reduces the cost of supporting low-interest loans. Payment begins six months after the student leaves college or stops attending on at least a half-time basis.

Completion of the Free Application for Federal Student Aid (FAFSA) is required.

## Federal Direct Unsubsidized Loan

The unsubsidized loan is not based on financial need. The government does not pay the interest on these loans. The interest rate on this loan will not exceed 8.25 percent. It has the same terms and conditions as the subsidized loan listed above. Payment begins six months after the student leaves college or stops attending on at least a half-time basis.

Completion of the Free Application for Federal Student Aid (FAFSA) is required.

## Federal Direct PLUS Loan (Undergraduate Students)

Federal PLUS loans are for parents with satisfactory credit history who want to borrow a loan to assist with paying for their dependent students' education. The first payment on a PLUS Loan is due within 60 days after the final loan disbursement for each loan. The interest rates are variable and adjusted each year. The interest rate is on these loans will not exceed 9 percent. A loan fee is deducted from each disbursement and is subject to change. The federal government retains this amount as an origination fee, which reduces the cost of supporting low-interest loans.

Completion of the Free Application for Federal Student Aid (FAFSA) is required.

## Federal Direct Grad PLUS Loan (Graduate Students)

Graduate and professional degree students with satisfactory credit history can borrow a Direct GRAD PLUS Loan to help cover education expenses. The terms and conditions applicable to the GRAD PLUS Loan are the same terms and conditions as the PLUS loan listed above for undergraduate students.

Before a student can receive a GRAD PLUS Loan, the school must have determined your eligibility for the Direct Unsubsidized Direct Loans.
