

MARKETING, BACHELOR OF SCIENCE

The Marketing program is designed to provide students with opportunities to acquire the skills, concepts, and knowledge needed to assume responsible positions in marketing. Skills in problem solving, decision making, and applying the principles of economics, psychology, and sociology to consumer behavior are developed for future marketing professionals and marketing leaders. Career options are available in selling, purchasing, advertising, promotion, physical distribution, industrial marketing, customer service, marketing research, consumer service, and many other specialties.

Upon successful completion of the Marketing degree program, student will be able to demonstrate:

- Technical competence in the discipline's functional areas of:
 - Selling and Sales Management
 - Marketing Research
 - Retailing and Retail Management
 - Marketing Information Systems/E-Commerce
 - Promotion, Advertising and Marketing Communication
 - International/ Global Marketing
 - Consumer Behavior and Integrated Marketing
- Understanding of marketing strategies, marketing analytic models, techniques and software used in such applications as marketing research, sales management advertising and retailing.
- Knowledge of ethical problem identification and solution consistent with the evolving needs and values of society and business culture.

Entrance and Exit Exam Requirements

All students in the School of Business are required to take the School of Business Entrance Exam and the Senior Exit Exam as part of their graduation requirements. For more information, please contact the ASU Testing Center (<https://www.asurams.edu/enrollment-management/testing-center/>).
